

**BLACK CAT**  
WEAR PARTS

**END BITS**

**for Applications on Caterpillar® Equipment**

- Impact rib built into the high wear area
- More wear material in the critical areas
- Machined surfaces enable superior fit
- Maximum depth countersinking protects the bolt head

Our commitment to efficiency and cutting-edge foundry techniques enables us to offer competitively priced, high-quality parts. With our dedicated in-house metallurgical team and top-notch testing facilities, we guarantee the consistency and excellence of every product we deliver. Trust us to provide wear parts of exceptional quality and unbeatable value with every purchase.
